# NGT.BC Liner

## Sleeveless Insulator

- Sonic emboss fabric with polyester micro twill outside and polyester micro fleece inside
- Durable brushed mesh pocket fabric for dual purpose functionality
- Stretch binding at sleeve openings to reduce bulk
- Binding at zipper edges for a clean finish
- Double cord pull on the center front zipper for easy grip
- Stand collar for added warmth
- Reverse zipper teeth for a clean finish
- Yoke and body seams are flat lock stitched to reduce bulk
- Locker loops at armhole/side seam intersections to stabilize when used as a liner with the Battalion Chief or Lieutenant duty jackets
- Nine1One shield logo made of flexible, durable recycled pvc
- Available in black only
- Standard sizes: small through xx-large (Ask about additional sizes. Call for assistance.)

Please contact us for additional information or sales assistance.

The Nine 1 One Gear Battalion Chief liner is a high performance sleeveless vest that was designed especially for use with our Battalion Chief (standard) and Lieutenant (option) duty jackets to provide extra insulation. If your crew works in colder climates and harsher weather conditions, the BC.Liner sleeveless insulator will be a welcomed addition to their gear and a great way to enhance their comfort.
