Lakeland
FIRE

A full-page photograph of a wildland firefighter. The firefighter is shown from the waist up, in profile, looking back over his right shoulder towards the camera. He is wearing a tan helmet with goggles resting on the forehead and a matching tan protective jacket with reflective yellow and black stripes on the sleeves. The background is a dense forest of thin trees, with the ground and lower branches covered in bright orange and yellow flames, creating a dramatic, high-contrast scene.
